During the period of this Agreement, Owner also agrees to notify Facility of any known exposure of pet to a communicable disease and hold pet out of attending Facility until pet is symptom free for a minimum of seven (7) days or with written veterinary clearance. Grooming Acts of Behavior Policy I understand that Top Paw Resort reserves the right to refuse service due to pet unruly behavior, excessive resistance, or aggression, or any other reason we deem necessary. This policy exists for the safety of your dog, the grooming staff, and all other dogs in our grooming area.

Common Reactions to Boarding and Daycare I understand that during boarding it is normal for some dogs to eat less or more than they do in a home environment. Due to dogs being more active, Top Paw Resort encourages you to add more food to each meal, and if dog(s) have one meal a day, we recommend you separate it into two meals during their stay. Dogs always have access to water and are encouraged by staff to drink during their stay; it is not uncommon for dogs to excessively drink at home after daycare or boarding. It is normal, after boarding, for some dogs to have a loss of appetite due to transition/change of environment. In addition, some dogs sleep for hours or a few days to rest after so much exercise.

Inherent Risk of Injury and Illness **There is an inherent risk when groups of dogs play together.** Dogs play with their teeth and paws. Cuts, scrapes, bites, muscle strains and occasional puncture wounds are going to happen regardless of how well we supervise the dogs. Our staff is trained to intervene, and most altercations are broken up quickly. Also, when dogs are in contact with one another the risk of viruses such as conjunctivitis, canine cough (or other upper respiratory infections), stomach virus and other contagious illnesses are possible. To assist in preventing contagious illnesses, Top Paw Resort cleans and disinfects twice a day, require all dogs are up to date on vaccines, and installed a Fresh Air Exchange System and UV lighting technology to the entire facility. **I understand and agree that Top Paw Resort assumes no responsibility for injuries or illnesses sustained by my Dog(s) while boarding, playing in daycare, or spa/grooming services.**

Meet and Greet I understand a Meet and Greet (temperament testing) is required for all new boarding and daycare guests. Boarding guests are required to schedule a Meet and Greet 2 weeks or sooner before boarding arrival date. A day of **daycare rate (\$25)** is charged, and a reservation is required under daycare. A Meet and Greet (temperament testing) appointment is scheduled on Tuesday, Wednesday and Thursday arriving before 9:00am. I understand that I am not to provide any type of sedation to alter my dog(s) behavior during a Meet and Greet.

Good Health I hereby certify that my dog(s) is in good health. I understand my dog(s) must be able to walk without assistance. I acknowledge that my dog has lived in my home no less than thirty (30) days and I have not seen any symptoms related to Canine Cough or any Respiratory Illnesses which can occur in shelters, breeders and/or other organizations. I acknowledge that I am responsible for notifying Top Paw Resort if my dog is subsequently diagnosed with a communicable condition. I certify that if my dog(s) have been to dog parks, other dog daycare, boarding or grooming facilities that a service cannot be provided by Top Paw Resort until after 14 days to ensure my dog(s) was not exposed to a communicable disease and is healthy. I understand that if my dog recently had surgery that they are unable to be boarded until after 14 days of recovery. I understand that I am to cancel reserved services if my dog is coughing, vomiting or having diarrhea.

Reservations/Appointments I am aware that reservations and appointments are not final until a confirmation is received from Top Paw Resort by phone call. **At that time the appropriate deposit will be collected to book the reservation.** I understand that the confirmed reservation/appointments can be cancelled by not providing a copy of vaccinations before arrival date, a daycare or boarding guest is not neutered or spayed by 6 months or if determined that our environment is not a good fit during the Meet and Greet.

Prepaid Daycare/Boarding Packages: In addition, I understand and agree that (1) if my pet discontinues using **Top Paw Resort** for any reason, I will forfeit the balance of my prepaid visits (if any) and will not, under any circumstances, receive a refund, and (2) prepaid visits are not assignable or transferable.

Cancellation/Deposit Policy: All boarding reservations require a \$25 **non-refundable** deposit (per dog). Holidays require a two-night **non-refundable** deposit. Deposits are required at the time of making reservations. Shortening the length of a boarding reservation during a holiday or spring break will result in a \$50 **“Early Check-out Fee”**.
